

RAJKIYA KANYA MAHAVIDYALAYA, SHIMLA

ONE DAY WORKSHOP CUM-EXHIBITION

“हिम रंग”

18th December 2024

About the Workshop

Established in 1977, the Department of Painting at Rajkiya Kanya Mahavidyalaya, Shimla, stands as a beacon of artistic excellence and academic distinction. As one of Himachal Pradesh's premier institutions offering a Bachelor's degree in painting, we take pride in our legacy of nurturing creativity and developing artistic talent.

Our curriculum goes beyond technical skill development. We strive to instill a profound appreciation for the transformative power of art, providing students with a thorough understanding of its historical context and social impact. Throughout the three-year undergraduate program, students gain professional qualifications while fostering personal growth, social awareness, and exposure to diverse artistic expressions.

The departmental society, Himrang, plays a pivotal role in facilitating student participation in art exhibitions, workshops, and competitions across India. As part of Himrang's annual activities, the Department of Painting organizes its Annual Painting Exhibition. This year, the exhibition will be complemented by a workshop designed to deepen the connection between human emotions and art on a broader level.

The Annual Exhibition 2024 will take place on 18th December 2024, organized in collaboration with the Internal Quality Assurance Cell (IQAC) at RKMV and the Mahsu Art Society Shimla. The workshop is open to all students from all disciplines, faculty, and art enthusiasts.
