

BRIEF PROFILE

Name : Shaweta Chandel Designation : Assistant Professor (Chemistry) E-mail: chandel.shaweta50@gmail.com Academic qualifications : M.Sc. (Hons.), SLET, Pursuing Ph.D Specialisation : Inorganic Chemistry and Nanotechnology. Research Publications : 03	
---	---

1. A paper was titled, “Alkali(Na/K) doped Cobalt Ferrite Nanoparticles: Photocatalytic and Antioxidant activities”, published in the Journal, **Nanofabrication**, DOI: <https://doi.org/10.37819/nonofab.10.2069>
 2. Another publication titled, “Synthesis and Comparative action by Na and K-Doped CuFe₂O₄ Nanoparticles for Multifaceted Functional Applications”, in the Journal, **Inorganic and Nano-Metal Chemistry**.
 3. A Publication titled, “Nanotechnology in Context of Environment and Industrial Development: A Review”, in **Journal of Industrial Safety and Engineering**, DOI: <https://journals.stmjournals.com/joise/>
- **Conferences and Seminars: 12**
