*"The purpose of education
is to replace an empty mind with an open one."
— Malcolm Forbes*

Dear Students,

You are not here merely to earn a degree.

You are here to discover who you are — and who you are capable of becoming.

At RKMV, Shimla, we believe that every student who walks through our doors carries within them an extraordinary potential, waiting to be ignited. Our role is not simply to teach, but to awaken — to spark curiosity, build courage, and cultivate the kind of character that leaves a mark on the world.

Academic excellence matters, and we pursue it with full commitment. But we know that grades alone do not define greatness. The student who learns to rise after failure, to lead with empathy, to think beyond boundaries — that is the student who will truly change the world. That is the student RKMV strives to shape.

Our faculty are not just teachers — they are your guides, your challengers, your champions. Our campus is not just a place of learning — it is a launchpad for your dreams. Every laboratory, every library shelf, every cultural stage, every sports field exists for one purpose: you.

I urge you — do not play small. Ask the difficult questions. Take on the challenges that scare you. Collaborate, create, and contribute. Let your years here be defined not by how much you received, but by how much you gave — to your learning, to your peers, and to society.

The world does not need more ordinary. The world needs you — informed, inspired, and unstoppable.

Walk forward with purpose. Lead with integrity. And know that at RKMV, we believe in you — completely and unconditionally.

*"Education is not the learning of facts, but the training of the mind to think."
Albert Einstein*

Historical Background

The institution stands on a site steeped in history. The building, dating back to the 1850s, was originally known as the Elysium Lodge and served multiple purposes over time.

It later came into the possession of Raja Padam Chandra of Jubbal, a noted philanthropist, who dedicated it to the cause of higher education.

A degree college was established here in 1945, and in 1957, it was reorganized as Rana Padam Chandra Sanatan Dharam Bhargava College. The college was taken over by the Government of Himachal Pradesh in 1977 and was transformed into an exclusive girls' college in 1978, acquiring its present name.

Since then, the institution has steadily evolved into a premier centre of learning.

Academic and Institutional Profile

Initially offering programmes in Humanities and Sciences, the college soon expanded to include Commerce and a variety of professional and self-financing courses, such as BCA, Biotechnology, Microbiology, Journalism and Mass Communication, Travel and Tourism, and Fine Arts.

In 2024, postgraduate programmes in Commerce, English, History, and Political Science were introduced, marking a significant academic milestone.

The college also runs Sandhya Sangeet Mahavidyalaya, affiliated with Bhatkhande Sangeet Vidyapeeth, Lucknow, offering training and degree courses in classical music and dance.

Infrastructure and Student Development

RKMV provides a well-developed campus with modern classrooms, laboratories, computer and language labs, a computerized library, auditorium, gymnasium, canteen, and hostel facilities.

Students are encouraged to participate in co-curricular and extension activities such as NSS, NCC, Bharat Scouts and Guides, Eco Club, Red Cross, and Rotaract Club, which help in nurturing leadership, discipline, and social responsibility.

Collaborations and Growth

To enhance academic exposure and research opportunities, the college has established collaborations with reputed national and international institutions, including universities and research organizations. These partnerships support innovation, skill development, and academic advancement.

Introduction

The National Education Policy (NEP) 2020 (hereafter referred to as NEP or Policy) recognizes that higher education plays an extremely important role in promoting human as well as societal well-being and in developing India as envisioned in its Constitution - a democratic, just, socially conscious, cultured, and humane nation upholding liberty, equality, fraternity, and justice for all. It notes that “given the 21st-century requirements, quality higher education must aim to develop good, thoughtful, well-rounded, and creative individuals”.

In accordance with the NEP 2020, the UGC has formulated a new student-centric “Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)” incorporating a flexible choice-based credit system, multidisciplinary approach, and multiple entry and exit options. This will facilitate students to pursue their career path by choosing the subject/field of their interest.

Transformative Initiatives that have a Bearing on the Undergraduate Education

The NEP envisages several transformative initiatives in higher education. These include:

- Introducing holistic and multidisciplinary undergraduate education that would help develop all capacities of human beings - intellectual, aesthetic, social, physical, emotional, ethical, and moral - in an integrated manner; soft skills, such as complex problem solving, critical thinking, creative thinking, communication skills; and rigorous specialization in a chosen field (s) of learning.
- Adoption of flexible curricular structures in order to enable creative combinations of disciplinary areas for study in multidisciplinary contexts that would also allow flexibility in course options that would be on offer to students, in addition to rigorous specialization in a subject or subjects.
- Undergraduate degree programmes of either 3 or 4-year duration, with multiple entry and exit points and re-entry options, with appropriate certifications such as:
 - a UG certificate after completing 1 year (2 semesters) of study in the chosen fields of study,
 - a UG diploma after 2 years (4 semesters) of study,
 - a bachelor's degree after a 3-year (6 semesters) programme of study,
 - a 4-year bachelor's degree (honours) after eight semesters programme of study if the students complete
 - a rigorous research project in their major area(s) of study in the 4th year of a bachelor's degree (honours with research).
- The 4-year bachelor's degree programme is considered a preferred option since it would provide the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student.
- Inclusion of credit-based courses and projects in the areas of community engagement and service, environmental education, and value-based education.
- Environment education to include areas such as climate change, pollution, waste management, sanitation, conservation of biological diversity, management of biological resources and biodiversity, forest and wildlife conservation, and sustainable development and living.
- Value-based education to include the development of humanistic, ethical, constitutional, and universal human values of truth, righteous conduct, peace, love, non-violence, scientific temper, citizenship values, and life skills.
- Lessons in service and participation in community service programmes to be an integral part of holistic education.

Main features of the New Curriculum Framework

The new curriculum framework will have the following features:

- I. Flexibility to move from one discipline of study to another;
- II. Opportunity for learners to choose the courses of their interest in all disciplines;
- III. Facilitating multiple entry and exit options with UG certificate/UG diploma/or degree depending upon the number of credits secured;
- IV. Flexibility for learners to move from one institution to another to enable them to have multi and/or interdisciplinary learning;
- V. Flexibility to switch to alternative modes of learning (offline, ODL, and Online learning, and hybrid modes of
- VI. Regulations for Academic Bank of Credit (ABC) and guidelines for Multiple Entry and Exit are already in place to facilitate the implementation of the proposed “Curriculum and Credit Framework for Undergraduate Programmes”.

VII. Major and Minor disciplines

Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core the major discipline.

Minor discipline helps a student to gain a broader understanding beyond the major discipline. For example, if a student pursuing an Economics major obtains a minimum of 12 credits from a bunch of courses in Statistics, then the student will be awarded B.A. degree in Economics with a Minor in Statistics.

Definitions, Eligibility and Duration of the Programme

Semester/Credits:

- A semester comprises 90 working days and an academic year is divided into two semesters.
- The winter vacation comprises five weeks. Internship/apprenticeship/work-based vocational education and training can be carried out during the winter vacation, especially by students who wish to exit after two semesters or four semesters of study. The HEIs can decide on the courses to be offered in the winter vacation depending on the availability of faculty and the number of students.

Awarding UG Certificate, UG Diploma, and Degree

UG Certificate: Students who opt to exit after completion of the first year and have secured 44 credits will be awarded a UG certificate if, in addition, they complete one vocational course of 4 credits during the vacation of the first year. These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven years.

UG Diploma: Students who opt to exit after completion of the second year and have secured 86 credits will be awarded the UG diploma. These students are allowed to re-enter within a period of three years and complete the degree programme within the maximum period of seven years.

3-year UG Degree: Students who wish to undergo a 3-year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years, securing 128 credits and satisfying the minimum credit requirement.

4-year UG Degree (Honours): A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme with 168 credits.

4-year UG Degree (Honours with Research): Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University/College. The research project/dissertation will be in the major discipline.

Degree(s)

3-Year B.A./B.Sc./B.Com. with Major in a specific discipline.

4-Year B.A./B.Sc./B.Com. (Honours/Honours with Research) with Major/and Minor/in a specific discipline.

1. The prescribed credit weightage includes Lecture, Tutorial, and Practical components.
2. In the first semester, students will be offered three different subjects of the same stream: A, B, and C.
3. At the end of the second semester, each student may choose any one of two programs: Multi-Disciplinary/Interdisciplinary Programme or Single Major Programme. The students choosing the Single Major Programme will be required to give his/her Major and Minor at the end of second semester. Such choices made at the end of the second semester shall continue until the sixth semester.
4. Another discipline's DSC of the first two semester of those students who opt for a Major Programme will be treated as Minors.
5. A DSC offered in one discipline will be treated as a Minor by another. The students can choose Minor Courses from two different subjects but will have to earn a minimum of 12 credits in each.
6. MDCs must be selected from a broad discipline/pool of MDCs other than Major and Minor subjects and must not have been studied that course at the 12th level.
7. AEC/VAC/SEC-3 should be chosen from a pool of courses. Every discipline shall provide these courses, some of which will be offered discipline-specific while the rest can be open to students of all other disciplines. However, the two SECs (SEC-1 and SEC-2) must be chosen from discipline-specific (Core and Minor).
8. A maximum of two language courses can be opted as Core and Minor. AECs should be of a language other than those studied in DSCs/ Minors.
9. I/A/P/C activities will be determined at the end of the first semester, enabling students to carry out these activities during winter vacation.
10. To pursue a 4-year Honours degree, a student must study one discipline in which s/he has studied at least 11 Core courses (6 DSC + 5 DSE) in the first three years.
11. A student who secures 75% or more marks in aggregate till Semester 6 (up to 3-year degree) shall be eligible for a 4-year degree (Honours with Research), provided HPU has approved the college to offer it.
12. One course per semester (DSC/Minor/MDC/SEC/etc.) from a subject offered in two (or more) different programs (e.g., BCA and BSc/BPA and BA/BFA and BA/Shastri and BA) must be the same.
13. The students of the BA Programme can opt for only one DSC each from the Bachelor of Performing Arts (Dance/Music/Vocal & Instrument/Tabla, etc.) and Bachelor of Fine Arts (Painting/Applied Arts/Sculpture, etc.)
14. To pursue an Honours degree in the 4th year, students must choose only one discipline in both semesters of the 4th year, in which they have studied Five DSEs in the first three years.
15. Major and Minor shall be awarded on fulfillment of the following conditions:
 - (a) **Major: 64/84 credits (3/4 years) in one subject/discipline**
 - (b) **Minor: 28 credits (4 years) in one subject/discipline**

LIBRARY

RAJKIYA KANYA MAHAVIDYALAYA, SHIMLA

The institution has a fully automated library, equipped with internet facilities, catering to the academic needs of students through its two-fold services—reading room and book circulation. The library operates from 8:30 AM to 7:30 PM on all working days.

Automation is enabled through **SOUL 3.0 (ILMS)**, which ensures efficient management of cataloguing, circulation, and easy access to library resources. The library is also supported by a **Visitor Management System (VMS)** to digitally monitor and manage visitor entry, ensuring safety and transparency.

The library maintains a rich collection of textbooks, reference books, and regularly subscribes to about 10 daily newspapers, 22 magazines, and 06 specialized journals. In addition, the library provides access to four e-newspapers, enabling users to stay updated with current national and international developments in a digital format.

Students are encouraged to make full use of the library facilities during working hours. Furthermore, the library's association with the **ONOS (One Nation One Subscription)** initiative provides access to over 13,000 e-journals of national and international repute, ensuring seamless access to a wide range of academic resources.

The library also offers a 30-day internship programme for students of B.Lib. and M.Lib., providing practical exposure to modern library management systems.

1. Every student must carry the Library-cum-Identity Smart Card while visiting the library.
2. Books are issued for a maximum period of 14 days. A fine of Rs. 1/- per day will be charged for late returns.
3. No book will be reissued to the same student immediately after its return.
4. Loss of a book must be reported immediately. The borrower will be required to replace the book or pay its cost.
5. In case a book is defaced or damaged, it must be replaced by the borrower

KATRAN

The project 'KATRAN', led by the Clothing and Textiles branch of the Department of Home Science focuses on upcycling pre-consumer fabric waste to promote sustainability and environmental awareness among students. Students are trained in designing and producing usable textile products, such as eco-friendly jute potli. The project supports the idea of 'earn while you learn,' combining creativity, skill-building, and environmental consciousness with students' income generation. By keeping textiles in use for longer duration and reducing dependency on virgin materials, Project KATRAN contributes to the circular economy and sets a meaningful example of innovation and responsibility in the fashion and textile sector.

Expanding opportunities for artistic growth, the **Department of Painting** facilitates students to create custom artwork for hotels and other establishments on commission basis. The department marked a significant achievement in mural and relief sculpture project at H.P Secretariat. MoU of RKMV with Mahsu Art Society, Shimla, a nonprofit organization, provides students the chance to participate in national and international exhibitions and workshops in various cities enhancing their exposure, networks, overall artistic development and a chance to earn while they learn.

PARENT-TEACHER ASSOCIATION (PTA)

Parent-Teacher Association is formed with the objective of promoting participation of parents in the developmental activities of the college. Their presence and valuable suggestions are eagerly solicited by the staff in **P.T.A.** meetings. Elections to the general body of the P.T.A. are held at the beginning of every academic session. The PTA comprises of the following members:

1. Principal - Patron of the body
2. Parents or guardians (only those who have blood-relation with the student/students studying in the college)
3. Teachers

Having been a part of RKMV in their formative years, the old students of the college have a sense of belongingness to the institution and fervently cherish a desire to contribute constructively towards the growth of their Alma mater. To cater to their feelings, the college has formed an alumni association, the membership of which can be obtained by paying a nominal membership fee. The association holds a reunion in the month of October and periodical meetings providing valuable advice to the college authorities regarding academic, co-curricular activities and other pressing issues. The executive body comprises of the following members:

1. Principal: Patron of the Association
2. President, Vice-President, Secretary and Treasurer are elected from amongst the alumni.

VETERAN STUDENTS ASSOCIATION (VSA)

RKMV has reunited veterans who were on rolls when RKMV was known as RPCSDB (*Raja Padam Chand Sanatan Dharm Bhargava Mahavidyalaya*) on a common platform to restore their past experiences as well as to nurture the college with their support and experiences. This move has also strengthened the already existing RKMV Old Students' Association.

ZERO TOLERANCE TO RAGGING

Ragging is a criminal offence and any student found involved in ragging in any form whatsoever, will be punished stringently. Ragging in and around the college/ hostel campus or on roads/ approaches leading thereto is strictly prohibited. If any student is found indulging in ragging directly or indirectly, the college authorities shall be obliged under rule 22.17 (a) (b) (c) of H. P. University to expel the guilty and report the matter to the police as ragging amounts to a criminal offence. The college has constituted an Anti-Ragging Cell to ensure a ragging free environment. The names and contact numbers of the respective teachers are listed on next page:

- All students are hereby cautioned that ragging is a criminal offence. Ragging includes any type of physical and mental torture inflicted by an individual or group, either by words or by conduct, which creates an apprehension in the mind of the person that he/she cannot pursue her studies free from any mental disturbance or torture created thereby. Any person who aids or abets such an action shall also be guilty of such ragging. Ragging in and around the college/hostel campus or on roads/approaches leading thereto is strictly prohibited. The students indulging in ragging will be punished by law.
- Smoking, consuming drugs, alcohol, tobacco products or any other intoxicating substances is strictly prohibited in the college/ hostel campus. Any violation will attract severe disciplinary action.
- The students must carry their identity cards at all times. Entry into the college without identity cards is strictly prohibited.
